

Emergency After hours Phone Number: 517-853-5576

Babies come at all hours of the day and night. We have a physician on call 24/7 for deliveries and emergencies.

After office hours all calls are routed to a voicemail where you can leave a message, and you can expect a call back from the physician. Non-Emergency calls answered outside of regular office hours may incur standard office visit charges. Your phone must be able to receive calls from blocked numbers.

If a pregnancy complication occurs after office hours, we request that you go to McLaren Greater Lansing, as they will have access to your prenatal record and Physician.
